Summary

The 2002 supplemental budget, as passed by the Legislature reduced funding available for state supplementary payments to SSI eligible recipients, and directed that “within the amount remaining in this section, SSI supplemental payments shall be used for current SSI recipients who have ineligible spouses.” SSI recipients will continue to receive their federal benefits and their federally provided annual cost of living increases each January. Some recipients who are dependent on larger state supplements will be provided a transitional state supplemental payment.”

SSI / State Supplemental Payment

WAC 388-474-0012	New WAC describing what the state supplemental payment is and who can get it.
WAC 388-474-0015	Amended to reflect the reduced funding level.

Standards – A. – Cash Assistance

WAC 388-478-0055	Amended to reflect the reduced funding level.
